RELEVANT COACHING EXPERIENCE

What is your previous coaching experience?

-

What style of play would you aim for in coaching a team from St Albans Juniors – how would you want the team to be known under your coaching?

What do you see as the most important reason children want to play football?

What elements of the game do you believe you can develop in the players at this age group? How will you personalise player development so that all players improve throughout the year under your coaching?

The respective team may have 2nd or 3rd year players and new players moving up – how will you structure this to enable a good balance in your training and game day?

What do you perceive is your overall role as the Coach of a Junior team?

Do you have a solution/idea on how you can make every player's involvement at training enjoyable and beneficial to their development?

How would you manage players playing/game time and playing experience throughout the year?

What resources etc could you use to assist you in your role? Is there something that you would expect the club to provide or assist with?

Other Questions:

- As a coach – how important do you consider the concept of a leadership group? How would it work? How would the selection of the leadership team work, what roles would they have throughout the year, what would their on/off field responsibilities be etc?
- Provide an overview on your thoughts on Pre-Season training? When do you think this age group should start training?
- Explain your availability for midweek training – are there any days/times that you are unable to commit to coaching the team? Provide an overview of days/times/frequency of training.
- Outline your typical match day preparation
- Captaincy – explain your thoughts on how the captains will be decided, and also what roles they will have throughout the year.
