## Our Community

Western Saints Superules has become an important part of the local community. We continue to prosper and grow as one. We continue to build our shape through close links with the local council and numerous community groups by promoting men's health and fitness in playing AFL football.

The Western Saints Superules provide a family friendly atmosphere for men who are over 35 to play our great game and keep them fit and active whilst having fun at the same time. It provides them with mate ship within a team environment and an opportunity to get the best out of themselves.

Located in the Northwest suburbs of Melbourne, we play all our home games at Kings Park, where we are proud to showcase our great facilities within the St Albans Sports Club.

We currently have two teams being a Senior and Reserves team all competing in the Vic Metro Northern division.

Our motto is "*Footy for Life*", and it is our philosophy that you are never too old to play football.

Our purpose to provide mature age players the opportunity to participate and compete in a safe, well organised and enjoyable atmosphere as well encourage participation in physical activity to better manage all round individual health.

*Western Saints Superules is part of the Victorian Metro Superules League, and sponsorship is an opportunity to not only support a home-grown club but widen your exposure through the entire Victorian Metro League. Social media is a big part of advertising today this along with promotional advertising including Electronic Scoreboard and links on our website will provide good exposure.*

*We have several packages to offer & we can also tailor a package to suit.*
